## Welcome to the Growing Readers program!

# Here are other great ways to help grow YOUR reader: "ABCs"

**Baby (0-12 months):** Sing the ABCs to your baby—your voice is soothing to them and this will set the groundwork for their future letter knowledge.

**Toddler (1-3 years):** Have your child sing you the alphabet, and slow them down during tricky lines (L, M, N, O, P). Point out letters to your child when walking, playing, and singing.

**Preschooler (3-5 years):** Whenever you can, have your child point letters out to you — on signs, cereal boxes, anything! Start simple. Teach your child the letters in their name.

## "ABCs" Book Suggestions

## Baby:

A B See by Elizabeth Doyle

#### **Toddler:**

<u>Chicka Chicka Boom Boom</u> by Bill Martin, Jr. and John Archambault

#### Preschooler:

**ABC Dream** by Kim Krans

Ask our Youth Services Librarians to show you our Growing Readers Book Collection!

## Don't Forget—Count every book!

Count books read by siblings, grandparents, daycare providers, and at storytimes. And count each time you read a favorite book again and again.
