Here are other great ways to help grow YOUR reader: “Colors”

Baby (0-12 months): When you hand your baby a toy, say its color to them. Talk about colors during meal time: red apples, green beans, and orange carrots.

Toddler (1-3 years): Collect items around your house and sort them by color. Describe objects that you see by their color. Sing a song that has color(s) in it.

Baa, Baa, Black Sheep

*Baa, baa, black sheep,
have you any wool?*

*Yes sir, yes sir,
three bags full*

*One for my master,
one for my dame,
and one for the little boy
who lives down the lane.*

(Repeat first verse)

Preschooler (3-5 years): Play the game Candy Land and talk about the colors as you move your players. Describe the shades of colors you see: *light green* or *dark blue*.
