Here are other great ways to help grow YOUR reader: “Shapes”

Baby (0-12 months): Play with toys of different shapes and name a toy’s shape when you hand it to your child.

Toddler (1-3 years): Point out shapes when you are out walking or playing in the park. Sing a song or say a rhyme about shapes.

The Circle and Square Rhyme

*This is a circle,
this is a square,
I can draw them in the air!*

*This is a circle,
this is a square,
I can draw them anywhere!*

*There’s something else I can do,
I can draw a triangle too.
I can draw one in the air,
I can draw one anywhere!*

Preschooler (3-5 years): When preparing food—such as cutting up a sandwich—ask if your child would like squares, triangles or rectangles. Talk about the shapes you make.

Books about Shapes

Baby:

Triangles by Yusuke Yonezu

Toddler:

Shape Shift by Joyce Hesselberth

Preschooler:

Have You Seen My Monster?
by Steve Light
