Q: How should the Nominating Petition form be filled-out?

A: Candidates and persons collecting signatures on their behalf should be aware that strict compliance with the Education Law is required in the execution of Nominating Petitions. Accordingly, it is extremely important that nominating petitions are filled out neatly and accurately. The person collecting the signatures should also fill in the blanks in the Statement of Witness at the bottom of the form by entering his or her own name and residential address.

The signatures are collected by entering the date of signature, the signer's full name (in script, although a printed name may also be added) and the signer's current residential address (which must be located in the City of Albany). The person collecting the signatures may, on behalf of the signer, fill in the date and residence information. Once a signature has been placed on a Nominating Petition, it should not be altered or modified in any manner. Errant marks on or near a signature may void the entire Nominating Petition. Care should be exercised to avoid the collection of duplicate signatures as they cannot be counted in the tally of valid signatures. Under no circumstances may the name or emblem of a political party be placed on the Nominating Petition, and care should be used not to identify the candidate with any party or political affiliation.

Upon completion of the form, the person collecting the signatures should tally the number of signatures collected, enter that number in the blank in the Statement of Witness, and then sign and date the petition. When all signatures have been collected, the pages of the nominating petition should be stapled and consecutively numbered by the candidate in the spaces provided prior to the submission of the petition to the Clerk. The candidate should retain a copy of the Nominating Petition for his or her own records, and provide a copy of the Petition to Melanie Metzger, Interim Executive Director of the Library.
