Safety Mission Statement

Albany Public Library is committed to creating and maintaining a safe and healthy environment for both the public and the employees of the library. The Library's goal is to prevent all accidents in its facilities, and the Library encourages customers and staff to be aware of safety and health hazards. The Library regularly participates in safety programs and training, stays informed about emergency procedures, takes responsibility for its buildings and grounds, and encourages the public and employees to report unsafe conditions. Safety and security require the use of good sound judgment as well as the mutual understanding and cooperation of Library employees and customers.
